## CMNH CANDIDATE REGISTRATION INSTRUCTIONS

### “MISS”

In 2007, the Miss America Organization partnered with Children's Miracle Network – an alliance of children's hospitals – to develop a National Platform. Children's Miracle Network Hospitals is a non-profit organization dedicated to saving and improving the lives of children by raising funds for children's hospitals across North America. The 170 Children's Miracle Network hospitals provide the finest medical care, life-saving research and preventative education to help over 17 million kids each year overcome diseases and injuries of every kind.

#### FIRST-TIME REGISTRATION AS A CANDIDATE\*

Each young woman new to competing in the Miss America Organization must register online at [www.MissAmericaforKids.org](http://www.MissAmericaforKids.org). To register, go to the home page and click on "Register New."

Fill out the mandatory fields (marked by an asterisk \*) and click REGISTER at the bottom of the page. Once you have completed the registration form, you will be taken to a list of upcoming locals in your state. Check the box next to the locals) for which you would like to register and click REGISTER.

*\*Note: if you have previously registered for CMNH and wish to compete again, please see “**Competition Registration**” on page 2.*

#### FUNDRAISING

Candidates competing in Miss America-sponsored local competitions are required to raise a minimum of \$100 in donations for Children's Miracle Network Hospitals and the Miss America Scholarship Fund. It's not an entry fee, but rather a community service requirement. Your fundraising goal will automatically be set at \$100 when you register. You may increase your goal at any time by logging in to your account and clicking "Update Profile." No matter where you set your goal, you must raise at least the minimum amount required to be eligible to compete.

An additional \$100 is required for each additional local you attend, with a maximum cap of \$400. Once you have raised \$400 for local competitions, you may compete in as many local competitions within your state for which you are eligible (Michigan Candidates are required to raise \$100 for each and every local Competition in which they compete). Once a Candidate has won a local competition, she must raise an additional \$250 to be eligible to compete in her state competition, and an additional \$1000 is required of our state titleholders to be eligible to compete in the Miss America Competition.
